# Farm House Cetona

Cetona - Siena, Tuscany

Luxury Country House in Siena in a stunning location with view, with swimming-pool.  
It sleeps eight people.

The property is situated in an area of the Tuscan countryside where time seems to stand still&hellip;  
After a very well done restoration, the property looks perfect and offers all the modern comforts and amenities for a perfect and relaxing vacation: it is located 2 miles from the village of Cetona, in the province of Siena.

The house has two storeys on three sides and three storeys on the fourth side.

All around there are cultivated fields with wheat and sunflowers, a vineyard, a huge park with a meadow, cypresses, olive and pine trees.

A 6x12 m. swimming pool (depth 1.60 to 2.40 m.), is open from May to September.

Inside, the country house has been appointed by the owners who love furniture in style (1800s until the early 1900s), the floors have red Tuscan tiles.

From the living-room situated on the ground floor there are stairs leading down to a play room, with a ping-pong table and table soccer for children.

Very charming and interesting historic cities and attractions are just a few miles away: Montepulciano, Pienza, San Casciano dei Bagni, Città della Pieve, Orvieto, Chiusi with its famous Etruscan museum.

## Building:

The house has two storeys on three sides and three storeys on the fourth side. &nbsp;

All around there are cultivated fields with wheat and sunflowers, a vineyard, a huge park with a meadow with cypresses, olive and pine trees.

A 6x12 m. swimming pool, depth 1.60 to 2.40 m., is open from May to September.

Inside, the country house has been appointed by the owners who love furniture in style (1800s until the early 1900s), the floors have red Tuscan tiles.

On the ground floor there is a very well equipped kitchen, a spacious living-room with big fireplace (open space), a TV sitting room with 2 sofas and 2 arm chairs, 1 bedroom with two single beds, one bathroom with bathtub.

Inner stairs lead to the upper storey. At the end of the stairs there is a single bedroom, it is little but very well appointed with sofa, dresser and TV.

On the same floor there is a big studio with writing desk, two arm chairs, bookcase, a big table with chessboard, a big fireplace with benches on both sides, perfect to enjoy the warmth and relax near the fire. Moreover, on the same storey there are two big master bedrooms, another single bedroom, a bathroom with bathtub and a bathroom with shower.

From the living-room situated on the ground floor there are stairs leading down to a play room, with a ping-pong table and table soccer for children.&nbsp;
