Cortona - Arezzo, Tuscany

Charming residence in TuscanyThe Hotel is situated at the foothill of Cortona and is centrally located for visits to many famous destinations such as Florence, Rome, Assisi, Arezzo, Siena, Perugia and Lake Trasimeno. La Corte is an ancient manor-house dating back to the end of 1700. The stone and terracotta structure has been completely restored to maintain the style, history and culture of the area. Today the villa offers its guests elegant and comfortable double bed rooms and suites, all with ensuite bathroom. Each room and suite has large windows with spectacular views of our estate and many offer views of Cortona. The rooms are each unique in decor with handmade antique furniture and fine crafted linen. Furthermore, you will have the spacious and luxury garden with large swimming pool and private parking at your complete disposal. Our Restaurant, located in the ancient villa's wine cellar, offers guests original presentations of traditional Tuscan dishes featuring fresh meats, fish, and vegetables. Our chef and his staff personally prepare all dishes including the bread, pastas and desserts. Our elegant wine selection is handpicked to accompany our seasonal menu items. We organise culinary classes under the excellent guidance of our experienced chef, day trips to the many historical cities in Tuscany and Umbria and wine tasting tours. For the active tourists, we can organize days of playing golf, water sports at Lake Trasimeno, hiking in the Tuscan hills, horseback riding or mountain biking.
