This Resort is immersed in the Umbrian country and, at the same time, it is located just a few minutes from Tordandrea and Castelnuovo di Assisi, so its location is perfect to discover and visit the most important art cities in Umbria and Tuscany.

The Resort & Spa has 9 double bedrooms and 2 suites: all of them have high quality and refined country style furniture and fabrics.

The exclusive indoor Spa is perfect to heal and rejuvenate your body and mind. You can try personalized treatments, enjoy the sauna, Jacuzzi, steam bath, chromotherapy and outdoor swimming-pool.

The restaurant is elegant and refined, offers an excellent service and proposes typical Umbrian menus, so it is possible to taste both traditional meals and particular recipes.

All the guest rooms are named after plants and flowers of the ancient officinal tradition: they are totally inspired by the surrounding nature…; you will find the Lavandula, Calendula, Salvia officinalis…;

On request, the staff organizes cooking classes, wine and oil tours & tastings, in order to make your stay in Umbria even more complete.

On request, you can book our shuttle service to the historic centre of Assisi. Moreover, our guests have discounted rates for guided tours of Assisi, escorted by professional tour guides. A customer service is available for further details.
